

Undercarriage Cleaner »

UNDERCARRIAGE CLEANER

FIG 650

UNDERCARRIAGE CLEANER

The undercarriage cleaner makes it easier to clean underneath vehicles and heavy equipment without having to use special lifting equipment.

Such as;

- Cars
- Trucks
- Agricultural Machinery

Matched up with a Hot & Cold from our range these undercarriage cleaners can remove road grime, fuel, oil and grease with ease and saving your back.

Adjustment Range 0° - 60°

Roof Cleaner »

FIG 831

ROOF CLEANER

The roof cleaner is a high quality tool that essentially lets gravity do all the work. Simply attach your High Pressure hose to the tool, then slowly feed the unit down the roof.

Made from Stainless Steel, this tool can take a hit and keep on ticking!
