AR BLUE BOXJET 2000 | Electric Pressure Washer 240v

Complete with:

Trigger Gun
1/4" (M) M22 Quick Joiner

Quick Join Lance
with Adjustable spray nozzle

8M High Quality Hose
with M22 Quick Coupler

Technical Features

Italian Designed Heavy Duty Pump

Brass Head, Ceramic Pistons, SS Valves, German Teflon Woven Water Seals

High Quality Electric Motor

Complete with 5M Cable

Inlet Water Filter

Light Weight and Portable

Carry Handle

Pressure Gauge

Adjustable Pressure Regulator

Detergent injector & suction strainer

Delay Stop

Unit turns off after 30seconds without the gun being used, helps prolong pump life!

(STANDARD)

Contractor Grade Accessories

The Gun, Hose and Nozzle are all designed for the contractor at mind, all rated to 4000psi!

(STANDARD)

Adjustable Nozzle

Adjustable nozzle with different spray patterns. No more swapping nozzles on a job!

(STANDARD)

Optional Accessories

- Turbo nozzles
- Sand blasting nozzle, Abrasive grit and sand
- Foam gun attachments
- Screw on couplings or Quick Fit Couplings
- HP hose, various lengths
- Engine degreaser, Truck Wash, Chemicals
- Lances, various lengths of lances
- Rotary floor cleaners

Features

Cold Water Electric Driven Pressure Cleaner (2 Wheel Buggy)

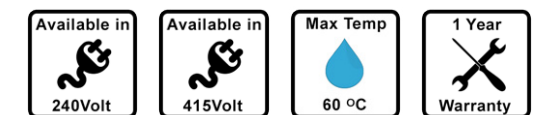

INDUSTRIAL

This range is the best of the best!
For quality and performance, Pumps Australia's electric driven high pressure cleaners have lifted the quality and reliability of electric driven cleaners, manufacturing them here in Western Australia.

This range is for the professional heavy duty industrial operators. Great for cleaning heavy duty machinery and equipment.

Great for all industries such as, mining, oil/gas process, marine, earth moving, wineries, and large workshops.

Technical Features

Annovi Reverberi Heavy Duty Pump

Brass Head, Ceramic Pistons, SS Valves, German Teflon Woven Water Seals

Italian Made Electric Motor

2.5kW (3HP) 240 Volt / 5.5kW (7HP) 415 Volt / 11kW (15HP) 415 Volt

Gun & Hose Holders

Pressure Gauge

Adjustable Pressure Regulator

Detergent injector & suction strainer

Inlet Y-Strainer

Stop N Go

Pull of the trigger and the unit turns on, let go of the trigger and the unit turns off

(STANDARD)

Varijet Nozzle

Adjustable Nozzle to switch between high pressure and detergent and spray patterns

(STANDARD)

5000PSI Rated Gun, Lance

Heavy duty gun and lance used on this unit is the same on a 5000PSI unit!

(STANDARD)

High Quality Powdercoated Frame with Never Flat Tyres

Australian made steel frame powder coated will help preventing rust.

(STANDARD)

Stainless Steel Weather Cover

This protects the unit from the extreme weather elements. Prolonging the life of the unit.

(STANDARD)

Optional Accessories

- 5" - 10" Filters
- Turbo nozzles
- Sand blasting nozzle, Abrasive grit and sand
- Foam gun attachments
- Screw on couplings or Quick Fit Couplings
- Drain Cleaning, Nozzles
- HP hose, various lengths
- Engine degreaser, Truck Wash, Chemicals
- Lances, various lengths of lances
- Rotary floor cleaners

Also Available

4 Wheel Galvanised Buggy Upgrade

| Model | Max Flow | Max Pressure Bar / PSI | Pump RPM | kW | HP | Voltage | Stop N Go |
|-----------------|----------|------------------------|----------|-----|----|---------|-----------|
| PX 10-120 E240V | 10 | 120 1750 | 1450 | 2.2 | 3 | 240 | Standard |
| PX 15-200 E415V | 15 | 200 3000 | 1450 | 5.5 | 7 | 415 | Standard |
| PX 15-250 E415V | 15 | 250 3600 | 1450 | 7.5 | 10 | 415 | Standard |

Cold Water Electric Driven Pressure Cleaner - 240V / 415V

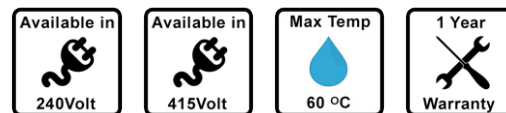

INDUSTRIAL

This range is the best of the best!
For quality and performance, Pumps Australia's electric driven high pressure cleaners have lifted the quality and reliability of electric driven cleaners, manufacturing them here in Western Australia.

This range is for the professional heavy duty industrial operators. Great for cleaning heavy duty machinery and equipment.

Great for all industries such as, mining, oil/gas process, marine, earth moving, wineries, and large workshops.

Technical Features

Annovi Reverberi Heavy Duty Pump
Brass Head, Ceramic Pistons, SS Valves, German Teflon Woven Water Seals

240 Volt / 415 Volt Italian Made Electric Motor
2.2kW (3HP) / 5.5kW (7.5HP) / 7.5kW (10HP) / 11kW (15HP)

Gun & Hose Holders

Pressure Gauge

Adjustable Pressure Regulator

Detergent injector & suction strainer

Inlet Y-Strainer

Stop N Go (STANDARD)
Pull of the trigger and the unit turns on, let go of the trigger and the unit turns off

Dual Lance (STANDARD)
Adjustable lance to switch between high pressure and detergent.

5000PSI Rated Gun, Lance (STANDARD)
Heavy duty gun and lance used on this unit is the same on a 5000PSI unit!

High Quality Galvanised Frame (STANDARD)
Australian made steel frame hot dipped galvanised will help preventing rust.

25ltr Marine Grade Aluminium Break Tank (OPTIONAL)
This allows the unit to have it's own reservoir to draw from, preventing run dry issues. (See Next Page)

Optional Accessories

- 5" - 10" Filters
- Turbo nozzles
- Sand blasting nozzle, Abrasive grit and sand
- Foam gun attachments
- Screw on couplings or Quick Fit Couplings
- Drain Cleaning, Nozzles
- HP hose, various lengths
- Engine degreaser, Truck Wash, Chemicals
- Lances, various lengths of lances
- Rotary floor cleaners

Also Available

Break Tank Upgrades!

| Model | Max Flow | Max Pressure Bar / PSI | | Pump RPM | kW | HP | Voltage | Stop N Go |
|-----------------|----------|------------------------|------|----------|-----|-----|---------|-----------|

Cold Water Electric Driven Pressure Cleaner (Breaktank Models) 415V

INDUSTRIAL

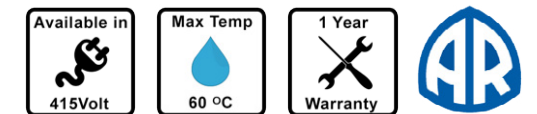

This range is the best of the best!
For quality and performance, Pumps Australia's electric driven high pressure cleaners have lifted the quality and reliability of electric driven cleaners, manufacturing them here in Western Australia.

Great for all industries such as; mining, oil/gas process, marine, earth moving, wineries, and large workshops.

What is a Breaktank?

The Breaktank is a supply tank that is attached to the back of the unit. This allows the pump to never run dry which causes extreme damage to the machine. It also allows the water to circulate from the pump, essentially saving your machine from heat damage.

Technical Features

Annovi Reverberi Heavy Duty Pump
Brass Head, Ceramic Pistons, SS Valves, German Teflon Woven Water Seals

415Volt Italian Made Electric Motor
5.5kW (7.5HP) / 7.5kW (10HP) / 11kW (15HP)

Cold Water Electric Driven Pressure Cleaner (Skid Mounted) 415V

This range is the best of the best!
For quality and performance, Pumps Australia's electric driven high pressure cleaners have lifted the quality and reliability of electric driven cleaners, manufacturing them here in Western Australia.

Great for all industries such as; mining, oil/gas process, marine, earth moving, wineries, and large workshops.

A MUST FOR WASH DOWN BAYS AND INSTRIAL CLEANING APPLICATIONS

EXDseries | High Pressure Cleaner (Oil & Gas Rated)

AS/NZS4233.1:1999 CLASS A
AS/NZS4233.1:1999 CLASS B

EXD Plug (Standard)

HEAVY INDUSTRIAL quality, long lasting

*These units are designed & manufactured by **Pumps Australia** to the highest quality.*

Great for Oil & Gas applications that require High Flow & High Pressure Cleaning

SIDE VIEW - EXD Enclosed Control Box

Technical Features

Annovi Reverberi Heavy Duty Pump
Brass Head, Ceramic Pistons, SS Valves, German Teflon Woven Water Seals

415 Volt Italian Made Electric Motor
Multiple Sizes with High IP Ratings.

Gun & Hose Holders

Pressure Gauge

Adjustable Pressure Regulator

Detergent injector & suction strainer

Inlet Y-Strainer

Stop N Go (STANDARD)
Pull of the trigger and the unit turns on, let go of the trigger and the unit turns off

This allows the unit to have it's own reservoir to draw from, preventing run dry issues. (See Next Page)

Optional Accessories

- 5" - 10" Filters
- Turbo nozzles
- Sand blasting nozzle, Abrasive grit and sand
- Foam gun attachments
- Screw on couplings or Quick Fit Couplings
- Drain Cleaning, Nozzles
- HP hose, various lengths
- Engine degreaser, Truck Wash, Chemicals
- Lances, various lengths of lances
- Rotary floor cleaners

Also Available

Hot & Cold Xtreme Electrics

Technical Features

High Quality Annovi Reverberi Pump
Brass Head, Ceramic Pistons, SS Valves,

Electric EXD Rated 415Volt Motor (440V 60Hz Option Available)
Fully enclosed & EXD rated motor.

480 - 500V Stahl Style Plug 63Amp Rated
Complete with EXD Certificates

Electrical Glands - Potted
Complete with EXD Certificates

Fully Sealed Electrical Control box with Start/Stop Interface
Complete with EXD Certificates

316 Heavy Duty Stainless Steel Frame
Never Flat Tyres at rear & responsive caster wheels at the front for easy maneuverability

316 Stainless Steel Breaktank
With water level float control.

10" Water Filter
With washable and interchangeable filter element

Italian made Adjustable Pressure Regulator

EXD Control Documents & Certificates (INCLUDED)
Full documentation stating that everything is up to AS/NZ standards

Safety Stickers & Assesst Numbers (INCLUDED)
We can arrange assesst stickers/plates as well as warning signs

NATA Approved Pressure Gauge (OPTIONAL)

Custom Builds and Alterations Welcome!

WE'RE MORE THAN JUST A PUMP COMPANY!

Pumps Australia is Australian owned and operated, and has been supplying and distributing high-quality and reliable products to the Australian and International market for over 20 years. We are industry leaders offering a huge range of Pumps & Pumping Equipment, Pressure Cleaning (Hot, Cold and Steam) Custom Design & Builds powered by Petrol, Diesel, Electric and Hydraulic Driven.

At Pumps Australia we pride ourselves on offering a wide range of durable, robust & reliable high-pressure cleaners, pumps and systems. All of our units are Australian made and fully assembled and tested at the Pumps Australia 4300m² facility.

We Also Specialise in:

FIRE FIGHTING PUMPS

TRANSFER PUMPS

TRASH PUMPS

CHEMICAL PUMPS

HOUSEHOLD PUMPS

HIGH PRESS. BLASTERS

SERVICE & REPAIR

FUEL TRANSFER PUMPS

PETROL & DIESEL ENGINES

AIRLESS PAINT SPRAYERS

AGRICULTURE SPRAYERS

HIGH PRESS. ACCESSORIES

WE SERVICE & REPAIR

ALL MAKES AND MODELS IN OUR FULLY STOCKED WORKSHOP IN WA!
